Reaching the Least of These in *Uganda*

July-September 2023

October-December 2023

Dear Friends and Family,

I am so grateful we serve an Ever-Living Redeemer! This year has gone by so fast, but I am thankful for the Lord's provision, protection, and promises throughout this year. As October began, one of our oldest boys came to my office after school one day wanting to talk to me. He started with asking me if he could be discipled and learn how he could start serving in a church. Of course I told him that was wonderful and answered with yes. I assured him that we would get someone to start discipleship classes with him, and I encouraged him to talk to our pastor that night. I also have the privilege of doing discipleship classes with one of our teachers and two of our girls during our school day. The Lord is really working in the hearts of our young people and staff here at SOAP. We give the Lord praise and honor for what He is doing in Soroti, Uganda.

In November we were all busy getting everything for our children to finish up the 2023 school year. I had a lot of help this year with many of my duties due to the medical testing and being away. I was amazed how our teaching staff took on extra responsibilities to lighten my load so I could concentrate more on the spiritual needs of the ministry and my health. I am grateful for all the faithful prayers and extra support during this medical journey.

At the end of November, I came back to the States for more medical testing to see how my body responded to being back in Uganda. I will get the results on December 18, so I would appreciate your prayers as I seek the Lord and continue to follow His leading!

I am wishing all of you a Merry Christmas and a Happy New Year. I hope each of you can slow down and enjoy your friends and family this Christmas!

Reaching The Least of These in Uganda,

Kerri L Phillips
